As a money business insider, Joel's strategies deliver the *Inside Track* to grow sales and profits faster than ever. We call it, "Profit from the Inside™". Call Joel for Keynotes on Leadership, Sales, and Innovation - plus Strategic Advisory and Executive Masterminds & Retreats.

About Joel G. Block

Money business insider, Joel Block, CPA, CSP is a long-time hedge-fund manager and venture capitalist (gobbledygook for professional investor) who lives in a "Shark Tank" like on TV. Companies looking for capital pitch ideas to Joel, so he has mastered spotting likely winners – frequently in under 3 minutes. Having constructed over 40 companies, he has advised hundreds more, besides teaching thousands of people ground-breaking ideas about money, leadership, innovation, and being Disruption-PROOF.

Joel's keynotes convey approaches for companies to leverage his insights as a money business insider into more sales and profits. Since selling his publishing company to a Fortune 500, Joel presents to businesses and makes numerous media appearances each year. Look for Joel on Wall Street, in Silicon Valley, and Washington DC sharing monetary strategies with the nation's financial elite.

Joel's understanding of business-building, finance, and economics is evidenced by his artful breakdown of complex topics so audiences can understand them. His mission is to help corporate leaders and entrepreneurs succeed in business so they can live the American dream and then continue the cycle of prosperity by paying success and mentorship forward.
